

How to change your password or user details

1. Select your name in the top right of the screen to access the user menu.
2. Select 'Account Settings', to display the Account Settings dialog.
3. You can now update your personal details: first name, last name and phone number (please use your mobile number).
4. You can also update your login details, email address and password.
5. To save your changes click either of the Update Info buttons.

A screenshot of the 'Account Settings' page. The page has two tabs: 'My Account' (selected) and 'My Wallet'. The 'Account' section contains a 'Discard' button and an 'Update Info' button. Below this is the 'Personal info' section with the heading 'Update your personal information.' It includes three input fields: 'First name' (containing 'John'), 'Last name' (containing 'Doe'), and 'Phone' (containing 'XXXXX XXXXXX'). Red arrows and a red box with the number '3' point to each of these input fields. Below the 'Personal info' section is another 'Discard' and 'Update Info' button pair. The 'Login info' section has the heading 'View and update your login email and password.' It includes a 'Login email' field (containing 'winningkeith@gmail.com') with a 'Change Email' link and a red arrow pointing to it with a red box containing the number '4'. Below that is a 'Password' field (containing six dots) with a 'Change Password' link and a red arrow pointing to it with a red box containing the number '4'. A red arrow and a red box with the number '5' point to the 'Update Info' button in the 'Login info' section.
