The counterclockwise circular walk starts in the Longborough Hall car park (no charge), adjacent to the cemetery off Park Lane, in the village of Stokenchurch.

*The cemetery of St Peter's and St Paul's contains ten CWGC graves, two from the first World War and eight from the Second. Two of those from the Second World War are women. Florence Steptoe of the Auxillary Territorial Service was killed in a vehicle accident between Brechin and Arbroath.*

*Eleanor Slade of the Air Transport Auxillary was killed in a crash at Little Rissington on the 13<sup>th</sup> of July 1944 while flying Wellington Z1690.*

*The village War Memorial and Grade II listed Memorial Hall were built in 1925 on land donated by Marcus Slade Q.C., Eleanor's father.*

The walk follows Park Lane towards Mallard's Court, before branching off to the right along a footpath crossing fields to join the Chiltern Way. At the bottom of hill bear right for a short distance along the Collier's track and cross the stile.

The walk crosses Grange Farm Road and heads uphill towards Andridge Farm. Between buildings take the footpath on the right and at the next track junction take the right hand fork to head downhill towards Bennett End.

At the road junction turn right along Grange Farm Road, heading west. Where the road bends to the right, continue straight following the Collier's Track.

*This bridleway was the original road to Stokenchurch prior to the A40 being constructed in 1824.*

Where the bridleway bears right, continue along a footpath to Hallbottom Farm. Just before the farm turn left and head uphill to re-join Park Lane. Follow the road south back to the car park.

Details of the route and the starting point are given, along with a description and a map of the route.

The start is circled in red on the map.
